SMART TRIP BUILDER

MEETING 1 — AGENDA

Meeting Number	1
Date	19 / 10 / 2026
Time	6 pm
Location	WhatsApp
Prepared By	Student 1 → Tala Alkhwaiter

Meeting Objective

To agree on the project idea, the problem it addresses, the target users, the approved system features, and the project scope.

Agenda Items

1. Confirm and approve the Smart Trip Builder project idea.
2. Identify the problem the system is intended to solve.
3. Define the target users.
4. Review and agree on the approved system features.
5. Confirm the project scope, limitations, and exclusions.
6. Record decisions and assign any follow-up tasks.

Expected Outcome

A shared and documented agreement on the project idea, problem statement, target users, core features, and project boundaries.
